

Digital Literacy for Seniors

2023 Sponsorship Pamphlet

A 501(c)(3) nonprofit for the aging population.

Overview

Our Mission

We're closing the digital literacy divide in the aging population.

Isolation is only worsening.

As technology continues to evolve at an unprecedented rate, older individuals are left behind. The trend of isolation & loneliness in senior citizens is only exacerbated by a lack of digital literacy opportunities.

Our solution?

Our curriculum includes cybersecurity, mobile application instruction, and how to contact loved ones digitally. Through workshops & classes, we're working to empower older individuals to navigate the digital landscape.

How Your Contributions Help

Our opportunities are cost-free, which means we rely on the generosity of our sponsors to fund our programs. 100% of your contributions will be funneled into hosting workshops & educational programs, printing booklets and resources to ensure our seniors have access to valuable knowledge beyond workshops, and more.

If you're interested in sponsoring through an individualized plan outside of what we've outlined, please reach out at sponsors@dlsglobal.org and we'll work out the best path together.
